Happy New Year!!

Hallo Vrienden en Clubleden
Dear Friends and Clubmembers

You must be wondering who is this guy with that funny accent. So am I. And that is what photography is all about. It is about discovering yourself. I would like to tell you a little bit about myself.

I am from Holland and a town called Haarlem, like Harlem, New York but spelled with two A's. My journey in photography started at the age of 6 when my grandparents brought me a Brownie box like camera from Paris. This sparked my fascination for photography. My grandfather, a traditional graphic artist who also worked for M.C. Escher, was my first teacher in the darkroom. Working with him in the darkroom was a magical experience.

After several years I realized photography was more than just a hobby so I studied at the Academie of Photography in Amsterdam.

When I was a student at the Academie I lived in Leiden, the home town of Rembrandt. I lived in my studio with a skylight and set up my rocky kitchen table to make my first still life photos. These were mainly slides. I have pursued this type of photography until today.

This was followed by some work in a commercial studio where I first worked in digital photography using Hasselblads with digital backs.
So, enough about myself, now I want to talk about you. It is your club.

(con't on page two)

JANUARY CALENDAR

January 8 Judge	**Pictorial** TBA
January 15 Judge	**Creative/Print** TBA
January 22 Judge	**Nature** TBA
January 29 901 Market/5th 5-7 pm	**Lurie Reception** Atrium Gallery 2nd floor
February 4	**Board Meeting**

PRESIDENT'S MESSAGE con't

by Mikel van den Haak

In these rough times people do not know which way to go. Are you digital yet? How much longer will film be around? Kodak is not going to make slide projectors any longer. More and more, members are going digital. What does that mean for us as a club?
I would like you to be involved and I want to know what you want. That is why I am introducing Mikel's Suggestion Box.

Next year I will introduce Mikel's Suggestion Box. I will bring this box every Thursday and it will be on the stage. I want you to tell me what you want for education night, field trips, which judges you like. Maybe you want to expose yourself more. What I mean is, are we going to have more exhibitions. I will be the person to read your suggestions and submit them to the board.
As I told you that my grandfather inspired me to do photography, I hope that you will inspire your children or grandchildren or friends and neighbours. Tell them that there is another world besides television and computer games.

Alfred Stieglitz said, "The camera enables us to express what we have seen and felt in the world of nature and humanity".

I feel very confident that this is going to be an enjoyable year for the club. Next year the doors will open at 7:00 pm, slides and prints will be checked in until 7:20, and we will begin at 7:30 promptly.

I wish for everybody a warm Christmas and Chanukah with family and friends.
For the New Year,
Keep on seeing and keep it simple.

Tot ziens...
Mikel van den Haak
Photochrome President 2004

Lurie Exhibit Plans Set

Plans for the January Lurie exhibit have been finalized. A list of exhibitors follows this article. A total of 31 members will be exhibiting 58 prints. Most of those who signed up are first time exhibitors.

Almost everyone missed the December 15 deadline for getting information about their prints to Jo-Ann Ordano. The five who did get their information in on time are shown with asterisks after their names. Everyone else either sent in incomplete information or did not send it at all. The information for each image in the exhibit is needed by January 8th at the latest. Either send it to Jo-Ann by snail mail or hand it to her at the first meeting in January. Information received later than that date may mean an image will not be hung.

The required information includes photographer's name, title of print, type of print, sale price (if any), charity to which 10% of sale price will be donated and a brief paragraph about how, where or why the image was made.

The exhibition announcements have been printed and will be available for everyone at the January 8th meeting. At that time, all exhibitors will be asked to sign a **waiver agreement,** releasing the Lurie Company from any liability concerning prints while they are on exhibit.

Prints must be turned in at the January 15 meeting or personally delivered to the Lurie Building at 901 Market Street by 9 am on Saturday, January 24. The back of each print should have a **label** with the photographer's name, title of print and telephone number, so prints can be matched up with labels. A volunteer will be needed to collect, store and deliver prints to the Lurie Building on January 24. And several more people (one person has already offered his help) will be needed to install the exhibit.

Then on Thursday, January 29, 5-7 pm, Atrium Gallery, 901 Market St., 2nd floor comes the gala reception. And if last January's reception is any indication, it should be a lovely affair, with wine, wonderful goodies and live music. We are indebted to the Lurie Company for sponsoring the exhibit and hosting the elegant reception. Contact Jo-Ann Ordano at (650) 712-0203 for more information.

FIRST TIME EXHIBITORS

Chandler, Sandy	2 prints	Cingolani, Phil*	2
Fitzgerald, Bill*	2	Gelman, Jack	3
Goldstein, Jim	2	Greene, Andrew*	2
Gruenwedel, Susan Parini	2	Gruenwedel, Stefan	2

Print Division Update

Welcome to our first full year of print competition. Based on feedback from the recent print survey, we will keep pictorial competition on the second Thursday of each month and delay adding additional categories. Beginning January 15, we will be judging slides before prints to see how this works logistically.

To help balance the competition, we are adjusting how members are assigned to competition levels. First we are eliminating the Salon level; all members who previously competed at this level will now compete at the Advanced level. Secondly, all members who have not yet competed in prints will initially be assigned to the Amateur level, regardless of their current level in slides. We will reevaluate assignments mid-year to determine if any adjustments are necessary. As of January there are a couple of promotions and demotions in Monochrome; affected members have been notified.

Deborah Hall
Committee Chair
